

# Crystalplus système

www.crystalplus.ca

One jar for  
all season long

- *Savings in time, money and chemical products*
- *Improves water limpidity and comfort*
- *Only add chlorine, no other chemicals required*

→ **A 2 kg jar of crystalplus will help maintain a 24 foot pool all season long**

Laboratory research and in-pool testing yielded this blend of synergistically-active ingredients. Registered by *Health Canada*, crystalplus improves chlorine and all disinfectants efficacy by up to 50%.

Round pools	
15 in	40 g / week
18 in	60 g / week
